Given the patient's interest in managing **appetite**, **euphoria**, and **mental stimulation**, **oral THCV** might be particularly relevant to their situation. \n\n### **Effects of Oral THCV**:\n\n1. **Appetite Suppression**:\n   - Unlike THC, **THCV** has been shown to act as an **appetite suppressant** at lower doses. This could be useful for the patient, especially if they are trying to balance the **appetite-stimulating effects** they experienced with the sage/rosemary tincture. THCV could potentially **reduce cravings** and help control hunger.\n   - For a patient who finds **coffee** to suppress appetite, THCV could provide a similar effect, making it a good option if they are looking to manage hunger while still benefiting from cannabinoids.\n\n2. **Stimulant and Mental Clarity**:\n   - THCV is often described as a **stimulating** cannabinoid, promoting **mental clarity**, **focus**, and **alertness** without the sedative effects sometimes associated with THC. This could make THCV a good fit for someone who enjoys the **mentally stimulating** effects of

sage and rosemary but wants to avoid feeling too relaxed or hungry. \n – The patient may find that oral THCV provides a **creative, introspective boost** similar to what they enjoy from cannabis, but with less of the euphoric "high" typically associated with THC or THCP. \n\n3. **Lower Psychoactivity**:\n – At lower doses, **THCV is less psychoactive** than THC, meaning the patient could still experience **cognitive stimulation** and **mood elevation** without strong psychoactive effects. However, at higher doses, THCV can produce **euphoric** effects similar to THC. \n\n4. **Potential Benefits for Metabolism**:\n – Some studies suggest that THCV could help regulate **blood sugar** levels and support **metabolic health**, making it potentially beneficial for someone managing **weight** or **appetite-related concerns**. \n\n### **In the Context of Previous Discussions**:\n- The patient is looking for ways to manage **appetite** and enjoys **mental stimulation**. Given THCV\u2019s **appetite-suppressing** effects and ability to enhance **focus**, it could be an ideal cannabinoid to experiment with. \n- **THCV in oral form** (e.g., tinctures, edibles) would be easy to integrate into the patient\u2019s routine, possibly alongside the **sage/rosemary tincture** or **coffee**, to help manage cravings while providing **clarity** and **mood enhancement** without overwhelming psychoactivity. \n\n### **Conclusion**:\n**Oral THCV** could be a beneficial addition for the patient, particularly if they are seeking to suppress appetite, maintain mental clarity, and enhance focus. It offers a **different profile** from THC and THCP, making it worth exploring if the patient wants to **balance appetite regulation** with **cognitive stimulation** and **mood enhancement**."]}, "status":

The probe is also examining Prince\u2019s connections with foreign intelligence and military entities, including his reported support for rogue military commander Khalifa Haftar.\n\nAccording to the \u201cWashington Babylon\u201d newspaper, the investigation focuses on three main areas. Firstly, Prince is suspected of facilitating the illegal transfer of weapons to Haftar, a violation of the international arms embargo on Libya. Prince is alleged to have played a significant role in assisting Haftar during his 2019 attempt to overthrow Libya\u2019s internationally recognized government.\n\nThe investigation also scrutinizes whether Prince\u2019s laundered money is linked to his support for Haftar. The United Nations has estimated the cost of Prince\u2019s assistance to Haftar at $80 million, with much of the funding reportedly originating from the United

Firstly, Prince is suspected of facilitating the illegal transfer of weapons to Haftar, a violation of the international arms embargo on Libya. Prince is alleged to have played a significant role in assisting Haftar during his 2019 attempt to overthrow Libya\u2019s internationally recognized government.\n\nThe investigation also scrutinizes whether Prince\u2019s laundered money is linked to his support for Haftar. The United Nations has estimated the cost of Prince\u2019s assistance to Haftar at $80 million, with much of the funding reportedly originating from the United Arab Emirates.\n\nAdditionally, the FBI is exploring the broader relationship between Prince and Haftar, particularly Prince\u2019s involvement in providing military support and operational planning for Haftar\u2019s forces. \n\nTags: \u301026\u2020Khalifa Haftar\u3011 \u301027\u2020blackwater\u3011 \u301028\u2020mercenaries\u3011 \n\n### Read Also:\n\n\u301029\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301029\u2020Amnesty International urges Haftar to unveil fate of Mahdi Al-Barghathi \u3011\n\nOctober 03, 2024 0 comment\n\n\u301030\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301030\u2020Canada accuses Chinese officials of trying to smuggle drones to Haftar\u3011\n\nSeptember 28, 2024 0 comment\n\n\u301031\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301031\u2020Commander of US AFRICOM reviews with Haftar strengthening US-Libyan partnership\u3011\n\nAugust 28, 2024 0 comment\n\n\u301032\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301032\u2020Haftar rejects change of CBL governor in meeting with UN envoy\u3011\n\nAugust 27, 2024 0 comment\n\n\u301033\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301033\u2020Haftar's son meets with Turkish Foreign Minister in Ankara\u3011\n\nJuly 25, 2024 0 comment\n\n\u301034\u2020 \u3011 \u301005\u2020News\u3011\n\n#### \u301034\u2020Italy blocks shipment of Chinese drones bound for Haftar\u3011\n\nJuly 02, 2024 0 comment\n\n### Must read\n\n#### \u301035\u2020Libyan Football Federation apologizes to fans for disruption caused by

\nOff Leash was still active as of Wednesday, though I expect it won\u2019t be, at least in its current form, for much longer, given that the conversation Wednesday included much discussion about their security being breached, which became evident after I reached out to participants for comment. Fortunately, I obtained details about a large slice of the chat group\u2019s discussions over the past six months. Here\u2019s some of

what they discussed. \n\nSolving the Middle East Crisis: Nukes, Napalm, and Other \u201cExtreme Measures\u201d\n\nOff Leash was launched less than two months after Israel commenced its assault on Gaza following Hamas\u2019s deadly October 7 attack on Israel, and that topic has been one of the group chat\u2019s main concerns since it was established by Prince on December 2. Five days later, Omer Laviv, an executive with the Mer Group, a private security company with many former Israeli intelligence officials in its senior ranks, posted \u301016\u2020a story\u2020www.thetimes.co.uk\u3011 to the group that ran two days earlier in The Times of London and reported Prince had been seeking to sell the Israel Defense Forces equipment for a plan he\u2019d devised to flood Hamas tunnels with seawater.\n\n\u201cI was involved,\u201d remarked Moti Kahana, the Israeli American businessman who runs GDC, the firm where Off Leash member Stuart Seldowitz previously worked. Kahana pointedly added that at least one part of The Times\u2019 story was false\u2014for example, Prince had offered to donate the equipment, not sell it, he said.\n\n\u201cWhy do you expect accuracy from journalists?\u201d retorted Laviv, who during the Trump administration retained 27 U.S. lobbyists and consultants to run a $9.5 million lobbying campaign on behalf of President Joseph Kabila, the corrupt, brutal leader of the Democratic Republic of Congo, who used surveillance equipment supplied by the Mer Group to monitor his regime\u2019s opponents. Among those Laviv involved were Rudy Giuliani, Trump\u2019s former personal lawyer, fixer, and dirt-digger, and Robert Stryk, whose clients have included Saudi Arabia and El Salvador\u2019s state intelligence agency under crypto-fascist President Nayib Bukele.\n\nYudelson, who also reportedly partnered with Prince in an attempt to buy weapons for resale from Belarus dictator Aleksandr Lukashenko (\u301017\u2020whom the two men praised for bringing \u201cpeace, stability, and prosperity to your country\u2020matthewcole.substack.com\u3011\u201d), predicted the tunnel-flooding proposal would be shot down by the \u201cIsraeli left,\u201d a force he labeled the country\u2019s \u201cbiggest enemy,\u201d ahead of Hamas and Iran, over concerns about the environmental impact in Gaza. \u201cWho gives a shit about that,\u201d Yudelson posted to the group. \u201cIf it was up to me \u2026 I would flood them with Napalm! (Reuters photo) \n\n38154 \n\nTAIPEI (Taiwan News) \u2014 In a video interview on the U.K.\u2019s GB News filmed on Thursday (Dec. 28), Erik Prince, a military contractor known for founding the Blackwater organization, said he expects China to target Taiwan militarily in the spring of 2024.\n\nPrince, a military strategist and former U.S. Navy Seal, was being \u301027\u2020interviewed\u2020www.gbnews.com\u3011 by Jacob Rees-Mogg about U.S. foreign policy setbacks under the Biden administration and the pressures faced by the U.S. military around the world. Prince said that amid declining U.S. credibility abroad, Chinese leader Xi Jinping (\u7fd2\u8fd1\u5e73) may try to \u201cbluster his way\u201d into a takeover of Taiwan, saying that \u201cit must feel like the door is wide open for them to do whatever it is they want to do.\u201d\n\nPrince\u2019s comments came one day after Xi Jinping, speaking at the Great Hall of the People in Beijing, resolutely vowed to stop anyone from \u201cmaking Taiwan secede from China,\u201d calling \u301028\u2020unification\u3011 an \u201cinevitable trend.\u201d\n\nIn Prince\u2019s remarks, he criticized the U.S. \u201cinability to finish properly in Iraq and Afghanistan,\u201d which he credits for the increase of military threats across the world that have taken shape under the Biden administration. In addition to ongoing conflicts involving Ukraine and Israel, Prince also mentioned escalating conflicts in the wider Middle East, which now include attacks by Houthi rebels targeting shipping vessels in the Red Sea. \n\nSpeaking about

a timeline for a potential attack by China on Taiwan, Prince said May or June 2024 is a likely window for Beijing to begin cross-strait naval operations. Blackwater and an ally of former US President Donald Trump, over his alleged involvement in illegal arms sales and money laundering. The probe is also examining Prince's connections with foreign intelligence and military entities, including his reported support for rogue military commander Khalifa Haftar.

According to the "Washington Babylon" newspaper, the investigation focuses on three main areas. Firstly, Prince is suspected of facilitating the illegal transfer of weapons to Haftar, a violation of the international arms embargo on Libya. Prince is alleged to have played a significant role in assisting Haftar during his 2019 attempt to overthrow Libya's internationally recognized government.

The investigation also scrutinizes whether Prince's laundered money is linked to his support for Haftar. The United Nations has estimated the cost of Prince's assistance to Haftar at $80 million, with much of the funding reportedly originating from the United Arab Emirates.

Additionally, the FBI is exploring the broader relationship between Prince and Haftar, particularly Prince's involvement in providing military support and operational planning for Haftar's forces.

\nOff Leash was still active as of Wednesday, though I expect it won\u2019t be, at least in its current form, for much longer, given that the conversation Wednesday included much discussion about their security being breached, which became evident after I reached out to participants for comment. Fortunately, I obtained details about a large slice of the chat group\u2019s discussions over the past six months. Here\u2019s some of what they discussed. \n\nSolving the Middle East Crisis: Nukes, Napalm, and Other \u201cExtreme Measures\u201d\n\nOff Leash was launched less than two months after Israel commenced its assault on Gaza following Hamas\u2019s deadly October 7 attack on Israel, and that topic has been one of the group chat\u2019s main concerns since it was established by Prince on December 2. Five days later, Omer Laviv, an executive with the Mer Group, a private security company with many former Israeli intelligence officials in its senior ranks, posted \u301016\u2020a story\u2020www.thetimes.co.uk\u3011 to the group that ran two days earlier in The Times of London and reported Prince had been seeking to sell the Israel Defense Forces equipment for a plan he\u2019d devised to flood Hamas tunnels with seawater.\n\n\u201cI was involved,\u201d remarked Moti Kahana, the Israeli American businessman who runs GDC, the firm where Off Leash member Stuart Seldowitz previously worked. Kahana pointedly added that at least one part of The Times\u2019 story was false\u2014for example, Prince had offered to donate the equipment, not sell it, he said. \n\n\u201cWhy do you expect accuracy from journalists?\u201d retorted Laviv, who during the Trump administration retained 27 U.S. lobbyists and consultants to run a $9.5 million lobbying campaign on behalf of President Joseph Kabila, the corrupt, brutal leader of the Democratic Republic of Congo, who used surveillance equipment supplied by the Mer Group to monitor his regime\u2019s opponents. Among those Laviv involved were Rudy Giuliani, Trump\u2019s former personal lawyer, fixer, and dirt-digger, and Robert Stryk, whose clients have included Saudi Arabia and El Salvador\u2019s state intelligence agency under crypto-fascist President Nayib Bukele.\n\nYudelson, who also reportedly partnered with Prince in an attempt to buy weapons for resale from Belarus dictator Aleksandr Lukashenko (\u301017\u2020whom the

I would burn all those bastards, and have everything above ground, everything left of Gaza, collapse into this fiery hell pit and burn!\u201d\n\nEven that was deemed to be insufficiently hawkish for some Off Leash participants. In a lengthy tirade on February 14, Tzvi Lev, who formerly worked in Israel\u2019s Ministry of Foreign Affairs, said it was rare to see a people as \u201ctwisted\u201d as Palestinians, whose culture \u201cworships death and bloodshed.\u201d The only solution, he wrote, was to \u201ccompletely uproot the radical Islamic Palestinian nationalism,\u201d which was possible to do based on the historical precedent of Japan, which \u201cwent from being nuked twice to one of the world\u2019s strongest economies within two decades.\u201d Dropping nuclear weapons on what\u2019s left of densely populated Gaza, which is roughly the size of Detroit, would be a war crime and kill huge numbers of civilians. \n\nYoav Goldhorn, \u301018\u2020the former Israeli intelligence officer\u2020www. linkedin. com\u3011, also cited \u201cfucking nukes in Japan\u201d as an appropriate remedy to the Palestinian problem. Sadly, wrote Goldhorn, whose LinkedIn profile says he has \u201ca passion for strategic planning,\u201d there was no one in the Israeli government with \u201cthe balls nor vision to go all those extra miles. \u201d\n\nIran: Off Leash\u2019s Public Enemy No. 1 \n\nIt was hard to keep track of all the wars, invasions, covert operations, coups, and assassinations Off Leash members favored. (Reuters photo) \n\n38154 \n\nTAIPEI (Taiwan News) \u2014 In a video interview on the U.K. \u2019s GB News filmed on Thursday (Dec. 28), Erik Prince, a military contractor known for founding the Blackwater organization, said he expects China to target Taiwan militarily in the spring of 2024.\n\nPrince, a military strategist and former U.S. Navy Seal, was being \u301027\u2020interviewed\u2020www.gbnews.com\u3011 by Jacob Rees-Mogg about U.S. foreign policy setbacks under the Biden administration and the pressures faced by the U.S. military around the world. Prince said that amid declining U.S. credibility abroad, Chinese leader Xi Jinping (\u7fd2\u8fd1\u5e73) may try to \u201cbluster his way\u201d into a takeover of Taiwan, saying that \u201cit must feel like the door is wide open for them to do whatever it is they want to do.\u201d\n\nPrince\u2019s comments came one day after Xi Jinping, speaking at the Great Hall of the People in Beijing, resolutely vowed to stop anyone from \u201cmaking Taiwan secede from China,\u201d calling \u301028\u2020unification\u3011 an \u201cinevitable trend.\u201d\n\nIn Prince\u2019s remarks, he criticized the U.S. \u201cinability to finish properly in Iraq and Afghanistan,\u201d which he credits for the increase of military threats across the world that have taken shape under the Biden administration. In addition to ongoing conflicts involving Ukraine and Israel, Prince also mentioned escalating conflicts in the wider Middle East, which now include attacks by Houthi rebels targeting shipping vessels in the Red Sea. \n\nSpeaking about a timeline for a potential attack by China on Taiwan, Prince said May or June 2024 is a likely window for Beijing to begin cross-strait naval operations. "If they are going to take Taiwan by force, I would predict that they are going to do something this spring," Prince said, as reported by \u301029\u2020GB News\u2020www.gbnews.com\u3011. \n\nThe day after Prince made his prediction on GB News, China announced a shakeup in its military command. With only two weeks before Taiwan's elections, Beijing appointed PLAN \u301030\u2020Admiral Dong Jun\u3011 as its newest Minister of National Defense. \n\nAfter leaving Blackwater and selling

the company in 2010, Erik Prince\u2019s connections to CIA training programs were revealed in 2013. Around 2014, Prince became the chairman of a private security and logistics firm called the Frontier Services Group, a Chinese-owned company based in Hong Kong and involved in private security contract work in Africa.\n\nPrince stepped down as chairman of the Frontier Services Group in April 2021 but is still the head of a similar organization called the Frontier Resource Group, which has almost no online footprint as of publication.\n\n\u301031\u2020# Chinese invasion of Taiwan\u3011\u301032\u2020# Biden Administration\u3011\u301033\u2020# Erik Prince\u3011\u301034\u2020# Xi Jinping\u3011\n\n# Related Articles\n\n* * *\n\n\u301035\u2020Ex-Australia PM calls for effective deterrent against China\u2019s threats to annex Taiwan Oct. 22, 2024 14:56\u3011\u301036\u2020Harris says Taiwan 'has right to defend itself' Oct. 17, 2024 10:41\u3011\u301037\u2020Trump claims China will not invade Taiwan if he is elected Oct. 16, 2024 16:43\u3011\u301038\u2020Former AIT chair says Article 8 of China\u2019s Anti-Secession Law is time bomb Oct. 16, 2024 13:43\u3011\u301039\u2020Poll shows 36% of Americans support sending troops to defend Taiwan Oct. 9, 2024 16:26\u3011\u301040\u2020Harris backs 'Taiwan's ability to defend itself' Oct. 8, 2024 14:27\u3011\n\n# MOST READ\n\n* * *\n\n\u301041\u2020Harvard punishes Taiwanese American student for disrupting Chinese ambassador\u3011\u301042\u2020Tropical Storm Trami forecast to steer south of Taiwan\u3011\u301043\u2020Tropi", "pub_date": null, "extra": {"cited_message_idx": 8, "search_result_idx": null, "evidence_text": "source", "cloud_doc_url": null}}}], "content_references": [{"matched_text": "\u30106\u2020source\u3011", "start_idx": 1018, "end_idx": 1028, "alt": null, "type": "webpage_extended", "title": "FBI investigates Blackwater's Erik Prince over alleged support for Haftar | The Libya Observer", "url": "https://libyaobserver.ly/news/fbi-investigates-blackwaters-erik-prince-over-alleged-support-haftar", "pub_date": null, "snippet": " * \u301019\u2020Education\u3011 \n * Multimedia\n\n * \u301020\u2020Images\u3011 \n * \u301021\u2020Videos\u3011 \n\n * \u301022\u2020Print edition\u3011 \n\n * Menu\n\nnewsbeat Drupal\n\nJust another Drupal site\n\n * Search\n\nSearch\n\nCategory: \u30105\u2020News\u3011 \n\n# FBI investigates Blackwater's Erik Prince over alleged support for Haftar\n\nby \u301023\u2020SafaAlharathy\u3011 Sun, 18/08/2024 - 14:14\n\n * \u301024\u2020Share\u2020www.facebook.com\u3011\n * \u301025\u2020Tweet\u2020twitter.com\u3011\n\n[Image 0: fbi] \n\nThe FBI has launched an investigation into Erik Prince, the former head of the private security firm Blackwater and an ally of former US President Donald Trump, over his alleged involvement in illegal arms sales and money laundering. Prince is alleged to have played a significant role in assisting Haftar during his 2019 attempt to overthrow Libya\u2019s internationally recognized government.\n\nThe investigation also scrutinizes whether Prince\u2019s laundered money is linked to his support for Haftar. The United Nations has estimated the cost of Prince\u2019s assistance to Haftar at $80 million, with much of the funding reportedly originating from the United Arab Emirates.\n\nAdditionally, the FBI is exploring the broader relationship between

Prince and Haftar, particularly Prince\u2019s involvement in providing military support and operational planning for Haftar\u2019s forces. \n\nTags: \u301026\u2020Khalifa Haftar\u3011 \u301027\u2020blackwater\u3011 \u301028\u2020mercenaries\u3011 \n\n### Read Also:\n\n\u301029\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301029\u2020Amnesty International urges Haftar to unveil fate of Mahdi Al-Barghathi \u3011\n\nOctober 03, 2024 0 comment\n\n\u301030\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301030\u2020Canada accuses Chinese officials of trying to smuggle drones to Haftar\u3011\n\nSeptember 28, 2024 0 comment\n\n\u301031\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301031\u2020Commander of US AFRICOM reviews with Haftar strengthening US-Libyan partnership\u3011\n\nAugust 28, 2024 0 comment\n\n\u301032\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301032\u2020Haftar rejects change of CBL governor in meeting with UN envoy\u3011\n\nAugust 27, 2024 0 comment\n\n\u301033\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301033\u2020Haftar's son meets with Turkish Foreign Minister in Ankara\u3011\n\nJuly 25, 2024 0 comment\n\n\u301034\u2020 \u3011 \u30105\u2020News\u3011\n\n#### \u301034\u2020Italy blocks shipment of Chinese drones bound for Haftar\u3011\n\nJuly 02, 2024 0 comment\n\n### Must read\n\n#### \u301035\u2020Libyan Football Federation apologizes to fans for disruption caused by Nigerian Football Federation\u3011\n\nOctober 15, 2024 \u301035\u2020 0\u3011 0 Shares\n\n\u301035\u2020 \u3011 \n\nThe Libyan Football Federation condemned the Nigerian Football Federation's actions in refusing to play the return match in the African Cup of Nations qualifiers, stressi\n\n#### \u301036\u2020Sudanese army seizes weapons coming from Benghazi to back up Hemedti's RSF \u3011\n\nOctober 13, 2024 \u301036\u2020 0\u3011 0 Shares\n\n\u301036\u2020 \u3011 \n\nThe Sudanese newspaper "Al-Mandara News" reported that the Sudanese army seized arms shipments belonging to the Rapid Support Forces (RSF) under the command of Hemedti, s\n\n#### \u301037\u2020Dbeibah: We've started resolving years-long obstacles in Libya's political crisis\u3011\n\nOctober 12, 2024 \u301037\u2020 0\u3011 0 Shares\n\n\u301037\u2020 \u3011 \n\n\u200eThe Libyan Prime Minister Abdul Hamid Dbeibah said that the Libyan political scene "is entering a new phase, after his government has begun taking decisive steps to reso\n\n### News In Brief\n\n#### \u301038\u2020Koury reviews Libyan developments with UAE Minister of State in Abu Dhabi\u3011\n\nOctober 15, 2024\n\n\u301038\u2020 \u3011 \n\nThe Deputy Special Representative of the Secretary-General and Acting Head of the United Nations Support Mission in Libya (UNSMIL), Stephanie Koury, has held a meeting in\n\n#### \u301039\u2020Al-Baour discusses with Undersecretary of British Foreign Office bilateral cooperation \u3011\n\nOctober 15, 2024\n\n\u301039\u2020 \u3011 \n\nThe Acting Minister of Foreign Affairs in the Government of National Unity (GNU), Taher Al-Baour, has discussed with the Undersecretary of the British Foreign Office, Phi\n\n#### \u301040\u2020New UN Humanitarian Coordinator meets with Acting Minister of Foreign Affairs\u3011\n\nOctober 15, 2024\n\n\u301040\u2020 \u3011 \n\nThe Acting Special Representative of the Secretary-General of the United Nations and Humanitarian Coordinator in Libya, Aeneas Chapinga Chuma, has met with the Acting Min\n\n\u301041\u2020MORE\u3011 \n\n### Main Menu\n\n * \u30104\u2020Home\u3011\n * \u301042\u2020About Us\u3011\n * \u301042\u2020Monthly Archive\u3011\n * \u301043\u2020Exchange Rates\u3011\n * \u301044\u2020Advertise With Us\u3011\n * \u301045\u2020Terms & Conditions\u3011\n\n### Categories\n\n * \u30105\u2020News\u3011\n * \u30106\u2020Economy\u3011\n * \u30107\u2020Sports\u3011\n * \u30108\u2020Opinions\u3011\n *

Fortunately, I obtained details about a large slice of the chat group\u2019s discussions over the past six months. Here\u2019s some of what they discussed. \n\nSolving the Middle East Crisis: Nukes, Napalm, and Other \u201cExtreme Measures\u201d\n\nOff Leash was launched less than two months after Israel commenced its assault on Gaza following Hamas\u2019s deadly October 7 attack on Israel, and that topic has been one of the group chat\u2019s main concerns since it was established by Prince on December 2. Five days later, Omer Laviv, an executive with the Mer Group, a private security company with many former Israeli intelligence officials in its senior ranks, posted \u301016\u2020a story\u2020www.thetimes.co.uk\u3011 to the group that ran two days earlier in The Times of London and reported Prince had been seeking to sell the Israel Defense Forces equipment for a plan he\u2019d devised to flood Hamas tunnels with seawater.\n\n\u201cI was involved,\u201d remarked Moti Kahana, the Israeli American businessman who runs GDC, the firm where Off Leash member Stuart Seldowitz previously worked. Kahana pointedly added that at least one part of The Times\u2019 story was false\u2014for example, Prince had offered to donate the equipment, not sell it, he said.\n\n\u201cWhy do you expect accuracy from journalists?\u201d retorted Laviv, who during the Trump administration retained 27 U.S. lobbyists and consultants to run a $9.5 million lobbying campaign on behalf of President Joseph Kabila, the corrupt, brutal leader of the Democratic Republic of Congo, who used surveillance equipment supplied by the Mer Group to monitor his regime\u2019s opponents. Among those Laviv involved were Rudy Giuliani, Trump\u2019s former personal lawyer, fixer, and dirt-digger, and Robert Stryk, whose clients have included Saudi Arabia and El Salvador\u2019s state intelligence agency under crypto-fascist President Nayib Bukele.\n\nYudelson, who also reportedly partnered with Prince in an attempt to buy weapons for resale from Belarus dictator Aleksandr Lukashenko (\u301017\u2020whom the two men praised for bringing \u201cpeace, stability, and prosperity to your country\u2020matthewcole.substack.com\u3011\u201d), predicted the tunnel-flooding proposal would be shot down by the \u201cIsraeli left,\u201d a force he labeled the country\u2019s \u201cbiggest enemy,\u201d ahead of Hamas and Iran, over concerns about the environmental impact in Gaza. \u201cWho gives a shit about that,\u201d Yudelson posted to the group. \u201cIf it was up to me \u2026 I would flood them with Napalm! I would burn all those bastards, and have everything above ground, everything left of Gaza, collapse into this fiery hell pit and burn!\u201d\n\nEven that was deemed to be insufficiently hawkish for some Off Leash participants. In a lengthy tirade on February 14, Tzvi Lev, who formerly worked in Israel\u2019s Ministry of Foreign Affairs, said it was rare to see a people as \u201ctwisted\u201d as Palestinians, whose culture \u201cworships death and bloodshed.\u201d The only solution, he wrote, was to \u201ccompletely uproot the radical Islamic Palestinian nationalism,\u201d which was possible to do based on the historical precedent of Japan, which \u201cwent

from being nuked twice to one of the world\u2019s strongest economies within two decades. \u201d Dropping nuclear weapons on what\u2019s left of densely populated Gaza, which is roughly the size of Detroit, would be a war crime and kill huge numbers of civilians. \n\nYoav Goldhorn, \u301018\u2020the former Israeli intelligence officer\u2020www. linkedin. com\u3011, also cited \u201cfucking nukes in Japan\u201d as an appropriate remedy to the Palestinian problem. Sadly, wrote Goldhorn, whose LinkedIn profile says he has \u201ca passion for strategic planning,\u201d there was no one in the Israeli government with \u201cthe balls nor vision to go all those extra miles.\u201d\n\nIran: Off Leash\u2019s Public Enemy No. 1 \n\nIt was hard to keep track of all the wars, invasions, covert operations, coups, and assassinations Off Leash members favored. Erik Prince says China likely to attack Taiwan in 2024

\n\nXi Jinping must feel 'door is wide open' amid declining US credibility under Biden administration, says former Blackwater chair \n\nDec. 31, 2023 16:58\n\n[Image 21: Erik Prince in New York City, November 2019. (Reuters photo) \n\n38154 \n\nTAIPEI (Taiwan News) \u2014 In a video interview on the U.K. \u2019s GB News filmed on Thursday (Dec. 28), Erik Prince, a military contractor known for founding the Blackwater organization, said he expects China to target Taiwan militarily in the spring of 2024.\n\nPrince, a military strategist and former U.S. Navy Seal, was being \u301027\u2020interviewed\u2020www. gbnews. com\u3011 by Jacob Rees-Mogg about U.S. foreign policy setbacks under the Biden administration and the pressures faced by the U.S. military around the world. Prince said that amid declining U.S. credibility abroad, Chinese leader Xi Jinping (\u7fd2\u8fd1\u5e73) may try to \u201cbluster his way\u201d into a takeover of Taiwan, saying that \u201cit must feel like the door is wide open for them to do whatever it is they want to do.\u201d\n\nPrince\u2019s comments came one day after Xi Jinping, speaking at the Great Hall of the People in Beijing, resolutely vowed to stop anyone from \u201cmaking Taiwan secede from China,\u201d calling \u301028\u2020unification\u3011 an \u201cinevitable trend.\u201d\n\nIn Prince\u2019s remarks, he criticized the U.S. \u201cinability to finish properly in Iraq and Afghanistan,\u201d which he credits for the increase of military threats across the world that have taken shape under the Biden administration. In addition to ongoing conflicts involving Ukraine and Israel, Prince also mentioned escalating conflicts in the wider Middle East, which now include attacks by Houthi rebels targeting shipping vessels in the Red Sea. \n\nSpeaking about a timeline for a potential attack by China on Taiwan, Prince said May or June 2024 is a likely window for Beijing to begin cross-strait naval operations. "If they are going to take Taiwan by force, I would predict that they are going to do something this spring," Prince said, as reported by \u301029\u2020GB News\u2020www. gbnews. com\u3011. \n\nThe day after Prince made his prediction on GB News, China announced a shakeup in its military command. With only two weeks before Taiwan's elections, Beijing appointed PLAN \u301030\u2020Admiral Dong Jun\u3011 as its newest Minister of National Defense. \n\nAfter leaving Blackwater and selling the company in 2010, Erik Prince\u2019s connections to CIA training programs were revealed in 2013. Around 2014, Prince became the chairman of a private security and logistics firm called the Frontier Services Group, a Chinese-owned company based in Hong Kong and involved in private security contract work in Africa. \n\nPrince stepped down as chairman of the Frontier Services Group in April 2021 but is still the head of a similar organization called the Frontier Resource Group, which has almost no online footprint as of publication. \n\n\u301031\u2020# Chinese invasion of Taiwan\u3011\u301032\u2020# Biden Administration\u3011\u301033\u2020# Erik Prince\u3011\u301034\u2020# Xi Jinping\u3011\n\n# Related Articles\n\n* * *\n\n\u301035\u2020Ex-Australia PM calls for effective deterrent against China\u2019s threats to annex Taiwan Oct. 22, 2024 14:56\u3011\u301036\u2020Harris says Taiwan 'has right to defend itself' Oct. 17, 2024 10:41\u3011\u301037\u2020Trump claims China will not invade Taiwan if he is elected Oct. 16, 2024 16:43\u3011\u301038\u2020Former AIT chair says Article 8 of China\u2019s Anti-Secession Law is time bomb Oct. 16, 2024 13:43\u3011\u301039\u2020Poll shows 36% of

more subtle, and in some cases, opposing effects. \n\nKey points about THCv:\n\n1. **Appetite Suppression**: THCv is known for its potential to suppress appetite, which is the opposite of THC, which is often associated with increasing hunger (the "munchies"). This has sparked interest in THCv for weight management or obesity treatment. \n\n2. **Psychoactive Effects**: At low doses, THCv is not significantly psychoactive, meaning it doesn\u2019t cause a strong high. However, at higher doses, it can produce effects similar to THC, though they are often described as clearer-headed and shorter-lasting. \n\n3. **Potential Health Benefits**: Early research suggests THCv may have therapeutic potential in areas such as reducing insulin resistance in diabetes, managing anxiety, and possibly aiding in bone growth. It\u2019s also being studied for its anti-inflammatory and neuroprotective properties, which could make it useful in treating conditions like Parkinson's disease. \n\n4. **Energy Boost and Focus**: Some users report that THCv provides an energizing and focusing effect, which differs from the more sedative qualities of certain THC-rich cannabis strains. \n\nTHCv is not as abundant as THC or CBD in most cannabis strains, but breeders are developing strains with higher THCv content due to its unique potential benefits."]}, "status": "finished_successfully","end_turn": true
