At an inner city location, he has a lower level apartment with a sunk in living room and rust colored carpeting which can be seen from the outside. This man has a dark, long haired young girlfriend. He is a dealer and this is an ongoing investigation. Although interrogated, the case is not closed (suspended) because there is a hard core group involved and the suspected leader of the drug operation has not yet been caught. The leader is an older man who is not currently in this area.
